‡ PlusCheks are to be used only to facilitate payments at merchants, vendors, or to obtain a cash advance, and are not intended to be used as a general line of credit for payroll or non-business related expenses. Use of PlusCheks as a line of credit is strictly prohibited.

WEX Fleet One allows a cash line of credit based on 20% of your total credit limit. Your PIN code will be provided by a 3rd party vendor within 7-10 days upon WEX Fleet One receipt of this document. This pin code is used for ATM transactions only.

**Most ATM owners assess foreign cardholder fees for ATM withdrawals. These fees are charged as part of the principle amount of the transaction and are passed back to the ATM owner.
